Consider the vision and goals that you have for your piece of land, including the acreage you want to work. Think about your short and long term goals for income, and also include any thoughts you have for your retirement funds or for future generations on your land. Make sure to record a date next to each goal so that you can track any changes.

1 Year Goals:  

3 Year Goals:  

5 Year Goals:  

10 Year Goals:  

20 Year Goals:  

Whole Farm Planning, D. Kendall, T. Cole, D. Ducharme (Feb 2007)
