Subject: Participation in the 2020 Winter Apple School

Dear Sponsor,

The North Carolina Cooperative Extension Service – Henderson County Center, in cooperation with our Apple Advisory Committee and the Blue Ridge Apple Growers Association, are making plans for the **2020 Winter Apple School**. Our all-day meeting is scheduled for **Wednesday, February 5, 2020** with registration starting at 7:00 am. We feel our program will be very educational and have a wide range of grower suggested topics.

Our normal attendance is over 200 growers and vendors. The school covers the latest information related to new apple production technology, marketing, new equipment, crop protectants and nursery information. With your support we will have a great meeting and are asking for a **\$200.00 contribution** to help defray costs. In order to keep the sponsorship cost the same as previous years each paid sponsorship will include 2 lunch tickets, additional lunch tickets can be purchased for \$15.00. If you wish to purchase additional lunch tickets, please complete that line item on the sponsorship form and adjust the invoice amount.

The program will be held at **Blue Ridge Community College, Hendersonville, N.C. off I-26, exit 53**, west on Upward Rd, look for school signs. For room reservations contact Mountain Inn and Suites, Exit 53, 755 Upward Rd, Flat Rock, NC 28731, (828) 692-7772. Exhibits can be set up on Tuesday afternoon after 2:00 pm or on Wednesday morning from 7:00 to 8:00 am. Growers will have an opportunity to visit exhibits during breaks, at lunch, and throughout the day.

In order for us to complete our plans, please fill out the enclosed form and return to us by **Monday, January 27, 2020 in order to have your name and company listed in the program**. Please make checks payable to the **Blue Ridge Apple Growers Association (BRAG) and mail to BRAG, PO Box 578, Edneyville, NC 28727**. Any contributions in excess of the lunch will be used by the Cooperative Extension Service and BRAG to support its' apple education programs. As always, your support is greatly appreciated!

Sincerely,

William Terry Kelley, PhD
County Extension Director
