

**ENCOURAGING A MORE COLORFUL LIFE**  
**COLORING BOOK**

## **Forward**

Through my 4-H Leadership in Action project, "Leading and Encouraging a More Colorful Life", I created this coloring book, collected coloring pencils, and colored words of encouragement with the help of my community. This project was to provide you with a means to relieve stress and encourage you during a stressful time in your life. My hope is that you in turn will pass this forward so that others might be encouraged. I hope that you find inspiration from the quotes that I acquired from people across the United States as well as the famous quotes that inspired me in my life. Take your new found inspiration and inspire others around you. You can simply use the coloring book yourself or you may color a page and pass it along to a friend or loved one that is in need of encouragement.

**Color your world with inspiration!**
